Please join Countryside Village for our 52nd Celebration of the Countryside Village Art Fair, June 3rd & 4th, 2023. This two-day event provides the Midwest area with an adventure into the arts, and the amazing talents the artists share with hundreds of fairgoers. Your entry fee is used for the advertisement and promotion of the art fair and other services that benefit you and the art fair.

All work must be designed and executed by the accepted artist. This art fair is a juried show. All work exhibited must be of the quality and same category as the images that were juried.

**Accepted Categories:** Ceramics, Drawing, Fiber Art/Textiles, Glass, Jewelry, Metal, Mixed Media, Painting, Photography, Printmaking, Sculpture, and Wood.

**WORK NOT ACCEPTED:** Photographic reproductions of paintings. Commercially cast molds or mass-produced works. Copies of work by other artists, either living or dead. All crafts or craftwork. Prints of your original artwork in the form of pictures, cards, etc. may be sold, but they are not to be hung on your display as your originals.

Upon acceptance to the Art Fair, artists agree that Countryside Village may use their images of their work for promotion, web site or other publicity purposes in printed or digital form.

Artists are responsible for their entire booth set up, including their own tent, tables, and chairs. (You can call for names of local rental companies if needed.) Artists unable to attend in person must have a knowledgeable person at their display during show hours. The space allotted for each artist's booth is 10'x10'. Any request for additional space will have an additional cost. Before completing the enclosed application, be sure you intend to comply with the restrictions outlined above, as you will be asked to remove any work that violates these restrictions.

You will be notified of the disposition of your application by the second week of March 2023.
